# Why the need?

As we celebrate our professional achievements, one truth stands out — we are one of the most vibrant alumni communities in the state, but we still lack a permanent office or venue of our own. The Stanley Alumni Building is not just bricks and mortar — it is a place to

1. Host GBMs, CMEs, and alumni gatherings
2. Provide accommodation for Stanleans
3. Examination faculties, Parents of students
4. Organize academic, social, and cultural events
5. Serve as the official headquarters of our Association

*We've received approximately 2800 sq. ft. of land at the Men's Hostel campus from the government. NOCs from the Dean and PWD have been secured. Demolition is complete. We are ready to build!*
